From the Commander, Post 577

The past few months serving as Commander of this amazing organization have flown by, perhaps faster than any other time in my life. Post 577 is filled with great people doing great things. Just when I think we are working as hard as possible, ranging from improving our building to helping those in need in our community, we step up, and raise our hands to do more. It seems we gather energy and motivation from each other to continue to move forward and improve any way we can. So for that, I want to say a huge THANK YOU to all who are part of Post 577's fantastic American Legion Family.

This month I had the honor of presenting flag streamers for the Post, the Auxiliary and the SAL for achieving 100% membership last year. The significance of this, and the reason we earned the American Legion Family 100% flag streamers, is that it was the first time in our history that all three organizations achieved this goal in the same year. The streamers are now hanging proudly on our flags. Now, for my challenge...let's not let this be the only time we achieve this distinction. Let's do it again this year, and each following year. We have a strong Post, let's work to keep it viable for all future generations!

For anyone who hasn't been to the Post in the past couple of years, I urge you to stop in and see all the changes it has gone through. It has been transformed from a dark clubroom area with an old outdated hall, to an updated interior that is bright and welcoming! Not only is it aesthetically pleasing, there have also been (and continue to be) many upgrades that are not so visible, such as roof repairs, parking lot and apron replacements, plumbing, electrical, kitchen work, etc. All in all, we are dedicated to making our Post a place we can all enjoy and be proud of. Many of our members have shared a responsibility in making these improvements happen, far too many to list in this publication. But I encourage all who have not seen our awesome facility to stop by and check it out, I guarantee you'll be pleasantly surprised.

As we attempt to bring Post 577 further into the 21st century, I want you to be aware of two major changes in our operations. First, we have begun accepting credit cards as payment. Our guests are able to run a tab and pay with a credit card when they are ready to leave. So if our old policy of "cash only" has stopped you from visiting, please come on back. Second, after this issue, we will be switching to mailing our newsletter out electronically. If you wish to receive the newsletter moving forward, please be sure we have your email address on file. We will make

accommodations to continue to mail out paper copies upon request, but the standard will be via email, so please call or email the Post with your e-addresses.

We have a few upcoming events going on at the Post that I invite all to attend:

- **Monthly membership meetings** - Held the third Monday of each month at 1900hrs (7pm for those of us who no longer live under military time).
- **Veteran's Day Breakfast** – Free to all veterans, Monday, November 12th at 0900-1300hrs. Thank you for your Service, please join us in honoring our nation's veterans.
- **Shop, Ship and Share** – Care packages are packed and shipped to military members deployed around the world. Please help us at the Maplewood Mall on Friday and Saturday, Nov 30-Dec 1 to make the holiday season a little brighter for our deployed military women and men.
- **Salvation Army Holiday Bell Ringers** – Each year District 4 members help the Salvation Army by ringing bells to get their kettles filled with donations. This year we will be ringing bells on Saturday, December 8th. Please stop by the Post to sign up for a two-hour shift to do your part.
- **Children's Holiday Party** – Kids of all ages are invited to come celebrate the season. There will be food, games and gifts for all on Sunday December 2nd from 12-4 PM
- **Mid-Winter Conference** – This year's conference is taking place at the Arcade-Phalen Post on Saturday, January 5th from 0900-1500hrs. Please join your compatriots in District 4 for an interesting, educational day. Learn what is going on in District 4 and hear speakers who will address a variety of veterans' issues.

Finally, as I said in my last newsletter article closing, I am honored to serve as your Post 577 Commander this year. We've had an amazing, productive year so far...let's keep up the momentum as winter now sets in!!

From the Auxiliary, Post 577

Greetings Everyone,

As the year comes to an end. I want to thank all the volunteers that have helped out throughout the year. We had a very successful booya and bake sale this year. Check the club room bulletin board for upcoming events. We are looking always for new members. See Ladonna Osborne if you are interested in being a member of the Auxiliary Our Meetings are on the 2nd Wednesday of the Month at 6:00 PM

I would like to Thank You for your continued support

Jeanne Rossini
President

From the S.A.L.

Greetings everyone.

From the entire staff at the Legion,

I want to thank the S.A.L. staff members & others who volunteered and attended the Booya last weekend. I believe this was another success for the Post. I would also like to again that the staff who made the 10th annual golf tournament a tremendous success.

Thanks Again!

The cleanup efforts in the basement has also been a tremendous success, we will continue to clean the needed areas, which will provide more secured storage space for all factions of the club. The North basement wall will need to be touched up due to a leak on the outside South Wall near the alley. This has now been repaired on the outside of the building. We also would like to paint the stairwells leading downstairs at both of the exits from the basement.

Another upcoming project that we will need volunteers for is the remodeling of the basement bathrooms, both men's and women's. Please contact Bernie for more information on this.

The 2018 S.A.L. membership drive has started, we are hoping for another increase in our S.A.L. membership from 81 in 2017 to 85 or more in 2018. See Mark Gallagher, Bernie or Jeff Chaney. (Cont.)

We encourage all existing members to take some time and volunteer where needed at the Post. This coming Fall / Winter will be another busy time for volunteering and I encourage you to reach out to the other organizations here at the post and offer your assistance as needed. Everyone notices and commends all the good things we do, and I know it is greatly appreciated.

Our S.A.L. meetings will continue to be on the 2nd Wednesday of each month at 6pm. Please check the board for a few of our off site meetings / gatherings as well.

S.A.L. meeting dates for the fall / winter months of 2018 are as follows:

Wednesday November 14th, 6pm

Wednesday December 12th, 6pm

Wednesday January 9th, 2019 6pm

From the A.L.R. President

Wow where did summer go? Well it was a good summer but in my opinion, it wasn't quite long enough. Your ALR took part in many different events this year, parades, charity rides and just being out riding visiting other Legion Posts. It is my hope that we represented you and the Legion Family well. It was also a safe summer for us as we did not suffer any mishaps as all of our members were safe in their travels this summer. I'd like to thank you all for your support of the Legion Riders this year. Remember that we are all part of the Family and if you know a disabled veteran that is interested in becoming a member of the Legion Riders they are most welcome to join us. We have many different things upcoming, such as Fall Conference, Mid-Winter Convention the ALR 577 Veterans and Family Ice Fishing Event at the Veterans Campground on Big Marine Lake. And Don't forget the Winter Carnival Grand Day Parade and joint membership Rally in January (BRRR) each event will have representation by the Chapter present.

Thank you all again for your support of our Chapter of the American Legion Riders and hopefully we shall have a bit warmer weather so we can put some more miles on our bikes.
